Engine Shaft Adaptor 5/8 INCH Thread Shaft - 22mm Ø Keyway

Prod Code: 2050-ENG-20777

An adaptive sleeve that converts 5/8" (15.88mm) threaded shaft to 22mm diameter keyway shaft.

Fits GX160 TX4 engine

Engines with threaded shafts are usually engines that fit to water pumps, as the impellor screws onto the end of the shaft. The thread is only at the end of the shaft, approx the last 15mm

SPECIFICATIONS

Fits	Honda GX120 and GX160 'T' type shaft
