

Honda HRE370 37cm Electric Lawnmower

Prod Code: 4000-HOND-47

The new HRE 370 electric lawnmower brings Honda style, quality and ease of use to small gardens. Under the sleek exterior, a new blade and fan improves airflow for excellent cutting and collecting performance, with a large grass bag to collect more clippings. For added durability and safety, this model also features our unique thermal cut-off protection switch as well as quick and easy cut height adjustment with a single lever. Quiet operation, comfortable controls and tidy cable management make the HRE 370 a doddle to use and at just 16kg, it's easy to lift and store. Specifically designed to deliver excellent cutting and collecting performance from a new blade, fan, and cutter deck airflow design.
