

Honda HF2625 HT 48" Hydrostatic Versamow Lawn Tractor

Prod Code: 4010-HOND-2620

If you're trying to keep a large lawn looking its very best, you'll appreciate the extra cutting width, effortless comfort and superior performance of this 48" model. The powerful Pro spec V-twin engine delivers the highest standards of smooth power and heavy duty reliability. Premium features such as smooth push-button blade engagement, Versamow™ selective mulching and hydrostatic drive help you cut large areas of lawn at your own pace with perfect results. For effortless mowing, the large capacity grass bag can also be emptied at the touch of a switch.

Our top of the range model has everything you would want from a Lawn Tractor.
