

Honda FJ500 DER Mid-size Tiller

Prod Code: 4030-HOND-FJ500DER

Designed to be powerful, versatile and easy to operate for a truly luxurious tilling experience. Featuring a hardworking 163cc Honda GX160 four-stroke petrol engine and a three-speed gearbox.

Swing handle

With a reassuring safety release feature, the swing handle can be adjusted to swing left or right which lets you work without leaving your footprints behind you, and avoids compressing already cultivated soil and plants.

Gearbox

More gears means greater flexibility and power. The gearbox transfers the ideal power and torque to work the machine, letting you pick the perfect speed to match your pace.
