

Honda HHB 25 E Blower

Prod Code: 4060-HOND-HHB

When fallen leaves spread across the lawn, decking or garden paths, a Honda Blower helps get things in order in record time. A powerful jet of air effortlessly propels garden waste into large piles, where it can be easily picked up and consigned to the compost heap. Clearing up is a breeze with a cruise control switch, elastomer hand grip and clean, quiet performance from the easy starting 25cc 4-stroke engine.

The first 4-stroke hand blower in the world delivers smooth, responsive power with lower emissions.

SPECIFICATIONS
