# AK15-1PH Alpha Series 15kVA Kohler Single Phase Generator

## Prod Code: 5000-CPS-AK15-1PH

The CPS AK15-1PH Alpha Series 15kVA (9.2kW) Generator is a unit designed and manufactured in the UK.

Manufactured with a Kohler Diesel Engine, MeccAlte or Leroy Somer Alternator and Deep Sea Electronic Control Module. The base frame is constructed from galvanized steel, press-formed, with suitable thickness; bolted by galvanized bolts and contains the large fuel tank to enable long running.

Optional extras on this range include - 110V, 230V & 415V socket arrangements, water heater for cold starts, 3-way fuel valve for an external tank, quick release doors, road tow trailer mounting, generator synchronizing, and even a canopy colour of your choice.*

This generator is covered by a full 2 year or 2000 hour manufacturer's warranty and all sets are fully manufactured as per your requirements
