

# Pramac P9000 Standard Silent Electric Start 230v AVR + Conn

**Prod Code: 5000-PRAM1-607**

7.9kW Long Run 230v Lombardini Powered AVR Controlled Diesel Generator

## P-SERIES

The P Series are exceptionally quiet and high powered portable generators, for residential areas or working sites where special respect for noise levels is required.

The Pramac P9000 is a suitable generator for use in residential areas or outside normal working hours. This generator is equipped with first class components and complete instrumentation, with a reliable diesel engine. It is the ideal generator for domestic backup power supply or professional use in residential areas.

A silent and compact electric start machine fitted with the Lombardini 25LD330 diesel engine.

## AVR (Automatic Voltage Regulator)

Electronic equipment could fail if the electricity quality is not high enough. High quality smooth power is achieved with AVR technology maintaining a constant output voltage, compensating for fluctuations when the equipment starts up or the load changes. This helps provide a stable power source vital for running sensitive electronic devices safely.

## SPECIFICATIONS

Engine	Lombardini
HP	15
Voltage	230v only
Max Output	7.9kW (8.8kVA)
Noise Level @ 7M	69dB(a)
Guaranteed noise level (LWA)	97dB(A)
Electric Start	Yes
Fuel Tank Capacity	24L
Run Time at 75% Load	11.06H
Weight (Kg)	204
Length (cm)	99
width (cm)	60.2
Height (cm)	82.6
Additional Options	Wheel Kit
