

Baumax RVP32/52 52cm Diesel Reversible Plate Compactor

Prod Code: 6000-BAUM-1920

The RVP series reversible plate compactors are particularly suitable for professional compaction of supporting and covering layers and the shaking in of block paving, walkways, garden paths, driveways, parking lots, ditches and other areas of medium to high traffic load.

Features / characteristics

- commercial grade Loncin diesel engine
- forward and reverse functions
- powerful agent for optimum ground compaction
- very good climb performance
- excellent starting performance, even at low temperatures
- incl. transport axis that moves the vibrating plate
- stable steel frame with a hook

SPECIFICATIONS

Model	RVP32/52
Engine	Loncin 349cc
Engine Type	Diesel single cylinder direct injection air-cooled
Start system	recoil
Weight	205 kg
Compaction force (pressure)	32 kN (3263kg)
Compaction depth max.	50 cm
Propulsion max.	23 m / min
Gradeability max.	30%
Plate size (L x W)	710 mm x 365 mm
incl. spacers (L x w)	710 mm x 525 mm
Dimensions L x W x H	1100 x 525mm x 970mm
excitation frequency	80 Hz
