

Husqvarna LT6005 Trench Rammer 230mm (9") Shoe

Prod Code: 6010-HUSQ-514

The Husqvarna (Atlas Copco / Dynapac) trench rammer range offers high centrifugal force to achieve effective compaction. An improved slim design allows use closer to walls and in narrow trenches. For use on cohesive and granular soils, they are easy handling and reliable.

Features & benefits

- Hour meter and filter indicator
- 3 lever throttle control (Stop/Idle/Run)
- New Honda 4-stroke engine GXR120
- Engine oil level indicator
- Easy access to all service points
- The air filter can be replaced without using tools
- Transportation device

Applications

- Silt
- Sand & Gravel
- Clay
