

Atlas Copco Cobra PROe Petrol Breaker

Prod Code: 6040-ATLA-21957

The Cobra PROe breaker is the heavy hitter in the range. Clocking up an incredible 60 joules at the tool tip, it delivers almost twice the impact energy of other petrol-driven breakers on the market. In fact, it offers the same power-to-weight ratio as many pneumatic or hydraulic breakers, but without being tied down to a power source or hoses.
