

Atlas Copco LP9-20P 20 L/Min Hydraulic Pack + LPD-T Post Driver

Prod Code: 6040-ATLA-609

You can use the Atlas Copco power packs virtually anywhere: fitted with wheels and handles, they are easy to manoeuvre around building sites. They are easy to start, the noise level is low, and when they are not in use, the power packs are small enough to be stored on shelves. They are also lightweight enough that two people can lift one up and fit it in the back of a van.

This power pack is equipped with Power On Demand (POD). This hydraulic regulatory system automatically idles the engine when the tool is not being used and speeds it up when the tool is activated.

SPECIFICATIONS

Honda	GX270
HP	9
Oil flow	20 l per min
Weight (incl oil)	80 kg
Length	630 mm
Width	530 mm
Height	640 mm
Max pressure	150 bar
Fuel capacity	6 l
Hose included	YES
Power on Demand (POD)	YES Oil control: engine oil
Electric start	NO
Sound power level guaranteed L _w (2000/14/EC)*	101 dB(A)
Sound pressure level (ISO 11203)* L _p r 1m	87 dB(A)
EHTMA class	C
Post Driver Activation type	trigger lever
Hydraulic system	Open centre
Service weight	34kg
Oil flow	20-30 l/min
Working pressure	105-140 bar
Impact rage	1 680 (30 l/min)
Post/rod diameters	40-100
Vibration level 3 axes	12.8m/s
Sound power level guaranteed (2000/14/EC)	115Lw dB(A)
