

# MHM GW 15/350 SSK Diesel 350A DC Welder Generator

**Prod Code: 7000-MHM-D350SSK**

350Amp DC Kubota powered Water Cooled Diesel Super Silent Welder Generator

Our unique extra smooth DC power & extra large multi-voltage auxiliary power is a perfect solution for many power and welding applications whether it be on site or rental.

## SPECIFICATIONS

Engine	Kubota D1105
HP	26
RPM	3000
415V Three Phase	15kVA
230V Single Phase	8kVA
110V Single Phase	5kVA
Weld Current (amps)	30-350DC
Max Rod Size	6mm
Open Circuit Weld voltage (V)	75
Noise Level Lwa	88
Fuel Tank Capacity	32L
Fuel Consumption	3 Litres / Hour
Operating Hours at 75% Load	11
Weight	390Kg
Dimensions LxWxH	141 x 70 x 83.5 cm
