

Genuine Honda GX630 / GX660 / GX690 V-twin Engine Exhaust Jacket

Prod Code: HOND-ACCES-19246

This insulating exhaust jacket is specifically designed to firmly secure around the Honda exhaust. This retains the heat inside the exhaust which is exited in the exhaust fumes. It minimises the heat radiation around the exhaust for use when enclosing the engine.

SPECIFICATIONS

Fits	Honda GX630 / GX660 / GX690 standard right exhaust only (P/N. 06183-ZCK-0000)
