

Honda Cordless DP3660XAE 6Ah Battery

Prod Code: 1110-HOND-22226

Compatible with all Honda cordless products

Built to deliver full power, the single Li-ion battery will work with all of Honda's new cordless range of mowers (HRG416XB and HRG466XB), brushcutter (HHT36BXB), hedgetrimmer (HHH36BXB) and leaf blower (HHB36BXB).

Recharging is fast, it will achieve an 80% charge in 35 minutes and a full 100% charge in 55 minutes.

Strong and hard-wearing, the battery is robust enough to withstand a 2m drop, with protection from an aluminium sub-frame.

With Thermo Smart technology to allow for higher performance and to prolong the life of the battery. Suitable for heavy use, for the gardener who works all day, every day.
