

Honda Cordless DP3620XAE 2Ah Battery

Prod Code: 1110-HOND-25107

Suitable for use with all Honda cordless products

Built to deliver full power, the single Li-ion battery will work with all of Honda's new cordless range of mowers (HRG416XB and HRG466XB), brushcutter (HHT36BXB), hedgetrimmer (HHH36BXB) and leaf blower (HHB36BXB).

Charging is quick, it will achieve a full 100% charge in 25 minutes.

Robust and strong, the battery is hard-wearing enough to withstand a 2m drop, with an aluminium sub-frame providing protection.

Thermo Smart technology allows for higher performance and prolongs the life of the battery. Suitable for medium use.

SPECIFICATIONS

Weight	720g
Charging time to 100%	25 minutes
Maximum current flow	22 A
