

Yanmar L100V Keyway Shaft Electric Start Diesel Engine (INC KEY SWITCH)

Prod Code: 3000-YANM-22783

Diesel 1" (25.4mm) Keyway Shaft Engine. Equipped with key operated electric start. Pressure washer diesel specification

Engine Code. L100V6CA1F1AAS5

Designed with Yanmar's proprietary direct injection technology, maximum combustion efficiency is realized through the ideal match between the combustion chamber and injection system. This means a powerful, but environmentally friendly engine.

Keeping with the tradition of compact design, the new L-N series are simple to install. It fits in cramped spaces without sacrificing power and performance. Yanmar's proprietary direct injection technology allows the engine to sip rather than gorge on fuel. This means lower running cost in the world of rising fuel prices.

Superior vibration and noise reduction is achieved through the use of precision balancers. This leads to operating comfort even under long working hours.

*includes key switch panel module (part number. 114351-77500)

SPECIFICATIONS

Engine	Air cooled direct injection engine
Power	8.7HP (6.5kW)
RPM	3600
Displacement (cc)	435
Starting	Recoil & electric start
Fuel Tank Capacity	5.4 L
Oil Capacity	1.6 L
Dimensions (mm)	412L x 472W x 493H
Weight	53.5 Kg
