

Honda HRG416 XB IZY 16" Cordless Battery Lawnmower

Prod Code: 4000-HOND-22228

A lawnmower for serious gardeners

Delivering the sustained power and durability that serious gardeners require, Honda's latest combination of battery and motor technologies mean it can keep going as long as you can. This mower is capable of handling areas of up to 450m² on a single charge, and recharging is quick and easy with one of Honda's fast-charging batteries.

Built for performance

Light-weight it is easy to manoeuvre. Easily start it with a simple push of a button, and enjoy precise control of adjusting the cutter deck, making it easy to get the desired result.

Advanced technologies

Featuring helpful technologies including single speed transmission and Versamow Selective Mulching, which with a single lever enables you to seamlessly switch between collecting grass cuttings into the bag, or finely shredding them and blowing them back onto the lawn to create a natural fertiliser.

Built for longevity and durability, it is suitable for use in all weathers thanks to a waterproof coating, and its hard-wearing coating is resistant to deterioration from corrosion and UV rays.
