

## Honda HRN536 VK IZY 21 INCH Self-Propelled Mulching Lawnmower

Prod Code: 4000-HOND-23298

The HRN 536 VK is designed for cutting a larger lawn quickly and easily. The powerful 170cc Honda engine drives the lawnmower forward as well as cutting, and with a 70 litre grass bag, you'll be admiring a perfect lawn in no time. It combines manoeuvrability with a large diameter 21"" (53cm) cut to cover a large garden, fast. The redesigned blade provides better airflow to the grass bag, therefore not only increasing its 'cut and collect' performance, but reducing its noise level by 30%.

The Izy range is easy to start, easy to use and easy to look after. It's also stylish, quiet and easy on the environment.
