Prod Code: 4000-HOND-HRG46BB

The HRG 466 SKEP will turn any garden into a perfectly manicured lawn in a jiffy. Thanks to its blade brake and easy-to-use controls, the Izy is extra safe and a doddle to operate - no matter how 'green fingered' you are. It combines manoeuvrability with a large diameter 18" (46cm) cut to cover a medium-sized lawn, fast. A new feature offers selective mulching capability.

The Izy range is easy to start, easy to use and easy to look after. It's also stylish, quiet and easy on the environment.
