

LPG Dual Fuel Honda EU30is 3kw Quiet Electric Start Generator

Prod Code: 5000-HOND2-409

LPG Propane gas / Petrol Dual fuel Unit fitted with bottle mount LPG kit. Up to 50% reduction in fuel costs when operating on LPG

The Honda EU30is generator is a compact power station featuring the highest specifications from our Handy range. This 3000-watt generator is compact and portable, ideal for your onsite energy needs. The Honda EU30is provides you with power that is cleaner and smoother than the electricity from your mains, a 'must' for powering sensitive computer or technical equipment. Its quiet operation is ideal for places where noise plays an important part. All Honda EU30is generators carry a 5 year domestic warranty.

SPECIFICATIONS

Type	Compact Silent Inverter
Max output (W)	3000
Voltage stability (%)	+ or - 1
Output voltage (V)	230
Rated output (W)	2800
Frequency rating (Hz)	50
DC voltage (volts)	12
Power Stability	Inverter Technology®
DC current (amps)	12
Engine type	GX200
Type	single cylinder 4-stroke OHV air cooled
Oil capacity	0.55 litre
Starter system	recoil and electric start
Length	655mm
Length without handles	550mm
Width	480mm
Width without wheels	440mm
Height	570mm
Height without wheels (inc fuel cap)	540mm
Dry weight (kg)	61
Noise Level (1/4 load) (dB(a))	49
Guaranteed noise level (LWA)	91dB(A)
Fuel type	LPG Gas & Unleaded petrol
Fuel tank capacity (litres)	13
Petrol Usage at 75%(L/H)	1.5
LPG Usage at 75% (Kg/H)	0.9
