

Husqvarna BG245 Honda GX120 Power Trowel

Prod Code: 6030-HUSQ-1987

The Husqvarna (Atlas Copco) BG245 is an easy-to-carry trowel with safety features to match its power and efficiency. The blade diameter is just 600 mm and the edges of the cast rotating protection ring is clad in rubber. Together the features allow you to reach far into corners, close to walls and near other obstacles.
