## SPECIFICATIONS

|                              |                            |
|------------------------------|----------------------------|
| Engine                       | Honda LPG GX390            |
| Engine Warranty              | 3 Years                    |
| Fuel                         | LPG Propane                |
| Alternator                   | Sincro ED200 DC            |
| Weld Current (amps)          | 200 DC                     |
| Weld voltage (OCV)           | 75v                        |
| Duty Cycle 200A              | 35%                        |
| Duty Cycle 160A              | 60%                        |
| Welding Socket Configuration | 2 x DINS 35-50mm           |
| Aux Socket Configuration     | 1x16A 230v 1x16A 115V      |
| 230V Output                  | 4kW (5kVA)                 |
| 110V Output                  | 2.2kW (2.75kVA)            |
| Recoil Start                 | Yes                        |
| Engine Mounting              | Low Vibration Angle Mounts |
| Noise Level @ 7M             | 72dB(a)                    |
| Noise Level LWA              | 96LW(a)                    |
| LPG Consumption @75% Load    | 1.8 (KG/H)                 |
| Oil Alert Shutdown           | Yes                        |
| Oil Capacity                 | 1.1L                       |
| RPM                          | 3000                       |
| Cylinder                     | 1                          |
| Cooling                      | Air                        |
| Weight (Kg)                  | 94                         |
| Length                       | 83.1cm                     |
| Width                        | 56.3cm                     |
| Height                       | 54.2cm                     |
| Additional Options           | Welding Cables - Wheel Kit |
