

TDS-80HA 3" Tsurumi Honda Petrol Semi-Trash Pump

Prod Code: 8000-TSUR-P3ST

Tsurumi TDS-80HA 80mm Petrol Semi Trash Centrifugal Water Pump

For applications where water contains solids in suspension, centrifugal trash pumps are recommended. The TDS-HA models are semi-trash water pumps meaning they can handle up to 20mm solids. All tsurumi petrol pumps are powered by OHV Honda petrol engines, are self-priming and are housed within protective tubular steel, easy carry frames, and anti-vibration rubber feet.

All models are fitted with silicon carbide and ceramic mechanical seals and are supplied with hose couplings, washers, clips and strainers.
